

THE NATIONAL FOREST  
CHARITABLE TRUST

## The National Forest Charitable Trust - Legacy Code of Practice

We will use your gift wisely and effectively,  
and treat it with the same respect as if it  
was our own.

We will treat you with the utmost courtesy.

We will answer any questions you have  
honestly, and we will do what we say we  
will do. Including advising you if we think  
we are not the best recipient for your gift.

We respect your right to privacy. Although  
it's helpful for us to know about a legacy,  
you are under no obligation to tell us about  
it.

We will never put you under pressure to  
make a decision. You need to take your  
time and get advice, we know how  
important this is.
